Development Corporations and Public Sector Companies;

(b) whether Government were discouraging deployment of Government funds for such industries; and

(c) the list of all the licences issued for beer and alcohol from molasses, non-molasses from January, 1992 for regular licence, NRI investment and 100 per cent E.O.U. licences?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI GIRIDHAR GOMANGO): (a) and (b) Financial Institutions generally do not provide loans to low priority industries like Liquor & Beer. Government has not permitted recourse to public financial institutions for this purpose. Subject to certain terms and conidtions, Government have issued Letters of Intent to a few Industrial Development Corporations and Public Sector Companies.

(c) While the ban on creation of additional capacity for manufacture of potable alcohol from molasses continues, Government had relaxed the ban on creation of additional capacity for manufacture of Beer & Potable Alcohol from -non-molasses raw materal. Since January, 1992, Government have issued 38 Letters of Intent for Beer and 26 Letters of Intent for Potable Alcohol (non- molases) under title regular scheme and have also issued two Letters of Intent for manufacture of Beer under 100 per cent E.O.U. Scheme. The details of Letters of Intent issued are regularly pub. lished in the Monthly News Letter of India Investment Centre, copies of which are placed in the Parliament Library

**Chartering of fishing vessels**

4032. SHRIMATI RENUKA CHOWDHURY:

SHRI V. RAJAN CHELLAPPA:

Will the Minister of FOOD PROCESSING INDUSTRIES be pleased to refer to the answer to Unstarred Question 2371 given in the Rajya Sabha on 12th March, 1992 and state:

(a) whether Government have been issuing licences for chartering of fishing vessels under any policy;

(b) the list of the charters given/extended from January, 1992 the dates of the permission and the duration of the charter; and

(c) whether the issuing of such charters goes against the policy of encouraging development of indigenous Deep Sea Fishing Industries by leasing and joint ventures?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI GIRIDHAR GOMANGO): (a) While no licence under Section 4 of the Maritime Zones of India (Regulation of Fishing by Foreign Vessels) Act, 1981 for chartering of foreign fishing vessels have been issued so far, permits under Section 5 of the MZI Act, 1981 were isued in pursuance of the charter policies framed in 1981 and 1986.

(b) A list is given in Statement. *(See* below).

(c) Permission for charter of foreign fishing vessels is given so that the entrepreneurs could gain experience in deep sea fishing and subsequently enter into joint venture with a suitable foreign fishing company or operate vessels on long term lease in Indian waters. Despite the limited number of 27 chartered foreign fishing vessels actually operating in Indian EEZ as on 31st July, 1992, there are at present 179 deep sea fishing vessels owned by Indian Companies, part of which are acquired as fullfilment of charter obligation. In addition, the Government have recently cleared 17 Joint Venture/Test Fishing Proposals which will bring about 94 deep sea fishing vessels into the Indian EEZ in due course. It is, therefore, evident that issuing of a few extensions to charters will not go against the policy of encouraging development of indigenous deep sea Fishing Industries by leasing and joint ventures.
